FARMVILLE.

Our banks made a remarkabl showing in their last statement i which they declare a semi-annu dividen t of six per cent. Th speake well for the management c the banks and well for the com munity. People must be in a pro perous condition who can do suc things.

Our Building & Loan Company has also been a splendid success, and is still doing good work.

have been told that Building A sociations have been the making o Philadelphia. The citizens of that city instead of paying rent borrow money and eventually own their homes. That this is wise and pru dent cannot be seriously questioned.

Our local political pot is begin ning to boil. The most coveted prize is the Treasurership and mor than one good man is wishing to serve the dear people in that office.

For the months of July and August the congregations of the Methodist and Presbyterian Churches will worship together in the Church building of the latter Rev. Mr. Graham, pastor of the Presbyterian flock, will preach dur ing the month of July, and Rev. Mr. Hatcher, of the Methodist, wil fill the pulpit during August. No doubt the brethern will "dwell to gether in unity," and when they know each other better they will love each other more.

Farmville is getting to be a Mecca for parents with girls to educate, and there would be a large addition to our population if the houses were here for sale or rent. The few that are here are held at such exorbitant prices that purchasers are frightened away. Of course the owner has the right to put his own price on his own property, but there is no bet ter way to check the growth of a place than by asking extravagant prices for lots and houses

Some days during the week our Main Street looks a little dull now that the summer is on, but when Saturday comes Broadway in New York isn't much busier. I don't know what we would do without our Saturday trade. It is next in blessing to the Sunday's rest.

What would we do now-a-days if there were no binders to cut the wheat? I am quite sure that cradlers couldn't be had. The fact is few of the colored men of the present have strength enough to swing a cradle all day. But the wheat must be cut and the binders are here to do it. Nature abhors a vacuum, and so do the laws of human industry. The work must go on and will go on until the last syllable of recorded time.

The only thing we lamenta the fact that the June apple has gotten to be distressingly scarce, and as for the May cherry, who ever hears of one any more?

Meat is high and yet I had dinner the other day in a home with an old ham and great big dish of fried chicken on the table, and there were the greatest variety of vegetables, yellow butter, rich milk and pies and things. Prices may soar, but some people will fly and still live. They don't live to eat but they eat well that they may live the better.

Mrs. R. S. Paulett will entertain a number of her young friends, boys and girls, or if they prefer young men and young ladies at a house party at the home of her sister, Miss J. M. Venable, at Hampden-Si bney, the last two weeks in July. They are invited for the 16th and are expected to spend the rest of the month. There will be 18 in the party and this looks like a revival of old-time hospitality. I hall its return with genuine satisfaction.

Miss Frankie McKinney has returned from a pleasant visit to friends in Norfolk.

While the Manse is being painted Rev. Mr. Graham and family have been guests of Major A. R. Venable at his home in the country, just a mile from town.

And Major Venable has entered the race for Treasurer, the entries now being W. R. Venable, R. J. Carter and S. W. Watkins.

Our editor, Mr. J. L. Hart has jumped into local politics and asks to be made Supervisor for this district.

The old Randolph hotel will be called Prince Edward, as I am informed. It has been renovated at the cost of many dollars, will be elaborately furnished and be managed by an experienced hotel man.

Mr. C. A. Price, who is engaged in business in Norfolk, has been looking over town for a home in which to move his family at present.

Dr. McAlister, president of Hampden Sidney, is enthusiastic on the outlook for another session. He expects just as many students as they can accommodate. The Board of Trustees of the College have agreed to supplement the salary of the new pastor of College Church by $600, and this it is hoped will secure a good man. Dr. Murray has preached his last sermon, but his successor has not been named.

The new post-office building will soon be ready for occupancy, and an additional clerk has been allowed so that there will be no closing of the stamp and general delivery window while the mails are being opened. This abates a positive nuisance.

The Summer Normal is in full swing and gives new life-thrill to our town. Between winter and summer teaching everybody should get to be smart. No doubt but that education is much more general, and is it as good in quality as the old issue? I will not provoke discussion by giving my answer to this question.

How we do miss those Normal girls from our church services.

Rev. J. L. Lancaster, who is rector of an Episcopal Church in Perth Amboy, N. J., owns a farm on the Cumberland side of the Appomattox and is now taking his vacation there. The farm has been brought to the highest state of cultivation and is no doubt making good returns to its owner. The dwelling is very attractive, the scenery really picturesque, and I do not know where the tired man of the city could find a more delightful resting place. How much more interesting and invigorating this is than lounging about a summer resort. For people exercise reason when they begin to look for pleasure.

Judge Hundley has appointed Mr. E. L. Dupuy, of Hampden district, Commissioner of the Revenue; and Dr. Holladay announces his candidacy to succeed Mr. Dupuy as a member of the Board of Supervisors. Dr. Holladay has been for years an enthusiast on the subject of road improvement, and will make a valuable member of the Board.

It is expected that 150 students will attend the Summer Normal. Farmville will welcome them with open doors and hearts.

Our people are not rushing to the Exposition as I expected they would.

The town mule and cart are busy day by day looking or scraps and trash. Thanks to their fidelity the town is kept reasonably clean.

The Doctor Away From Home When Most Needed.

People are often very much disappointed to find that their family physician is away from home when they most need his services. Diseases like cramp colic and cholera morbus require prompt treatment, and have in many instances proven fatal before medicine could be procured or a physician summoned. The right way is to keep at hand a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. No physician can prescribe a better medicine for these diseases. By having it in the house you escape much pain and suffering and all risk. Buy it now; it may save life.

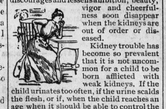
Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.



Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a book telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N.Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Buckingham.

The report comes from Nelson County that the people there are raising a fund to erect a monument to the memory of Theadore Estes. I can well see why the people who know Sheriff Estes and his family should have heart felt sympathy for the living and also understand why they think that young Estes was "more sinned against than sinning," but just why a monument should be raised by public subscription is beyond my ken. The Times-Dispatch paid in an editorial last week, in part: "The people of Nelson County cannot afford to signalize the career of this young man as an ideal for the youth of the present generation and generations to come. They cannot afford in Justice to their own sense of manners and morals, to glorify such a man and point their children to him as one worthy to be honored and imitated. This paper has no disposition to criticize the dead. It has sincere sympathy with the members of his family who have suffered so keenly. It has gone so far as to say that they should have an opportunity in court to disprove the grave charges made against him. Even now it would commend any proper movement whose purpose should be to exonerate him as far as the facts might justify. But to raise a monument as a mark of honor is a very different proposition."

The heated term has begun at last and the City Cousins are coming to the country.

Mr. D. W. Word having qualified as deputy Sheriff, there is a vacancy on the School Board of Maysville District, and the school laws are so framed as to make it difficult to get men who can serve as school trustees. What's the matter with "Buckingham" and "Andersonville?" It sorter seems as if my esteemed brethern got hold of the ace and of the poker in talking about the whiskey question in Buckingham. Southside.

Our usually quiet community has been enlivened by a number of pleasant visitors during the past week.

Mr. Geo. Plunkett, of the Hill City, is the guest of his uncle, Mr. John S. Plunkett.

Messrs. Cleve Strickland and Linwood Goslin, from Pittsylvania, have been visiting their relatives, the family of Mr. J. T. Cole.

Mrs. Luther Coleman and bright little son, Thomas, are spending some time with Mrs. A. E. Coleman.

Mr. and Mrs. Wm. Cheadle, of Hurtsville, are the guests of her mother to-day.

Mr. Luther Coleman, of Radford, Mr. and Mrs. Geo T. Coleman and little Misses Kathleen Beasley and Elva Coleman, of Lynchburg, are also visiting Mrs. A. E. Coleman.

Mrs. John S. Plunkett and daughter, Miss Mary, have returned from a most pleasant visit to the family of Mr. A. Plunkett, of Lynchburg.

Mrs. S. P. Coleman is visiting her daughter, Mrs. Ellis Odor, near Reedy Springs.

We are grieved to note the death of the little son of Mr. and Mrs. James Paris. We extend our sympathy to these afflicted parents.

The recent frequent showers have been of great benefit and crops though late are looking well. Mr. J. T. Cole has the finest piece of tobacco in the neighborhood, and we doubt if it can be beaten in the county. Farmers are saving their oats and hay and getting ready for the thrashing machine.

Your correspondent received several messages lately, one from a dear friend of your town and one from Toga, saying, "We always read the Southside letter first when we get THE TIMES; please write often." Now we hope that we will not be accused of "loving taffy," as the Hebron correspondent puts it, but the words of appreciation are prized because they are the kindly expressions of affection and not flattery. Thank you dear friends. We only wish our letters deserved your praise, and we assure you that now we write it will be with double effect. Price 25c. Samples free.

(From the Charlotte Gazette, May 23, 1907.)

Chase City, Va., May 20th, '07.

Editor of Gazette—Thos. W. Scott has announced himself a candidate for nomination of Senator from the 18th Senatorial district of Virginia.

Of the original companies that went from Charlotte in the early days of '61, I am the only living Captain. Scott when a mere boy, enlisted in my company at Wyllieburg. He was a faithful and gallant soldier; his wounds testify to this fact, and since the war a true man and citizen in all the relations of life.

I watched his course when he served in the Senate, and he was alive and vigilant in representing the people of his district. His votes and purpose were for their best interests.

I trust my old comrades will give him their cordial support. He is deserving it and will show that their confidence and honor will not be misplaced.

THOS. D. JEFFRES,
Past Commander L. A. Admistead Camp No. 26 of Va. 6-12-1f

Stops Hair Falling

Ayer's Hair Vigor, new improved formula, will certainly stop falling of the hair. Indeed, we believe it will always do this unless there is some disturbance of the general health. Then, a constitutional medicine may be necessary. Consult your physician about this. *Does not change the color of the hair.*

Ayer's — Formula with each bottle. Ask your doctor about it, then do as he say

The reason why Ayer's Hair Vigor stops falling hair is because it first destroys the germs which cause this trouble. After this is done, nature soon brings about a full recovery, restoring the hair and scalp to a perfectly healthy condition.
